GREEN FARMING

International Journal of Applied Agricultural & Horticultural Sciences

(Abbr. *Green Farming Int. J.*)

Volume 2	Number 1	January-February 2011 (New Series)	Bimonthly
----------	----------	------------------------------------	-----------

CONTENTS

Effect of location and season of harvest on the <i>in-vitro</i> organic matter digestibility, and proximate components of some common browse plants in Nsukka, Nigeria C.C. Onyeonagu and C.C. Agbo	1
Genetic variability, correlation and path coefficient analysis in sesame (<i>Sesamum indicum</i> L.) V. Manjunatha, Suvarana, A.G. Babu and V. Hanumantharaju	7
Effect of growing season on biochemical constituents and yield of orange fruited tomato cultivars under Rahuri conditions V.K. Garande and R.S. Patil	11
Genetic variability and character association analysis in isabgol (<i>Plantago ovata</i> F.) genotypes Sanjay Jain and M.S. Paul	15
Intra and inter cluster analysis on morphological characters of <i>Curcuma</i> Aditi Pandey and Sanjay K. Katiyar	20
Influence of spacing and irrigation on seed production of medium-duration pigeonpea hybrid M.G. Mula, K.B. Saxena, A. Rathore and R.V. Kumar	24
Saloilcake: A potential source of bio-organic manure under integrated nutrient management P. Bhattacharyya, Seema Banke, Manoj Maddheshiya, Sanjeev Kumar Gupta and Deo Kumar	27
Impact of EDTA, FYM, vermicompost and bioinoculants on the distribution of lead among various fractions in contaminated soil M.K. Pal, B.S. Panwar and J.P. Singh	32
Studies on infiltration under different land uses M.Y. Khadatare and A.B. Garkal	37
Amelioration of paddy soils polluted with industrial effluents through amendments T. Venkata Sridhar and A. Upendra Rao	42
Influence of foliar application of micro-nutrients on the quantitative characters of guava cv. L-49 Vidyawati Rawat, Y.K. Tomar and J.M.S. Rawat	47
Impact of organics on growth and yield parameters of paddy D. Sridhar, Mahanthesh B. Patil, Sumangala Koulagi and H.S. Ravi Kumar	50
Bio-efficacy of phosphorous solubilizing bacteria (PSB) and potash solubilizing bacteria in soil S.R. Zende, T.S. Mungare and J.M. Khilari	53
Effect of partially and fully decomposed FYM on nitrogen mineralization, carbon loss and available nutrient status of sorghum K.P. Bhoje, P.G. Shete and V.S. Baviskar	56
Effect of cut root and organics on seed yield of carrot (cv. Jatt local) Halesh Kumar H.B., R. Gurumurthy, Gangashetty Prakash and Dileep Kumar Masuthi	59
Effect of plant spacing and root media on growth parameters and yield of capsicum in naturally low cost ventilated polyhouse A.N. Yadav and S.K. Jain	62
Study of variation in photo-thermal requirement of phenological duration in chickpea Naveen Kumar Gupta	65

Contd.

Effect of Azotobacter in combination with nitrogen on plant growth and seed production of bell pepper R.P. Gajbhiye, G.R. Munde and Shruti Wankhede	68
Effects of irrigation and mulches on growth and yield of <i>rabi</i> castor (<i>Ricinus communis</i> L.) V.R. Naik, J.R. Naik, V.C. Raj and R.G. Patil	70
Performance evaluation of animal drawn seeder for rice-cum-green manure crop for <i>biashi</i> cultivation system J.S. Nikhade and S.M. Nage	73
Drip irrigation and fertigation for enhancing productivity in sweet corn S.A. Patil, U.V. Mahadkar and S.P. Gosavi	76
Effect of gamma rays and ethyl methane sulphonate on seed germination and mortality percentage in chilli cv. Jwala. S.R. Wankhede, R.P. Gajbhiye and S.U. Charjan	78
Effect of Hexachlorocyclohexane (HCH) and Agrocure (<i>Pseudomonas tralucida</i>) on seed germination H.M. Shivaramaiah	80
Bioefficacy of rynaxypyr (Coragen) 20 SC against fruit borer (<i>Helicoverpa armigera</i>) in okra L. Rajesh Chowdary, M. Bheemanna, A.C. Hosamani and L. Ranjith Kumar	85
Effect of biopesticide, organic amendments and chemicals on the incidence of downy mildew of <i>Psyllium</i> T. Arumugam, V. Premalashmi and M. Theradimani	87
Studies on leaf blight of cowpea incited by <i>Alternaria alternata</i> (Fr.) Keissler D.S. Thaware, P.A. Fugro, J.J. Kadam, S.V. Magar and S.C. Rite	91
Biochemical changes in response to <i>Alternaria</i> blight (<i>Alternaria brassicicola</i>) in Indian mustard R.C. Kumawat, A.C. Mathur and G.L. Kumawat	94
<i>In vitro</i> evaluation of bio-agents and botanicals against <i>Alternaria</i> leaf blight of chilli (<i>Capsicum annum</i>) V.A. Mane, V.N. Belwadkar, B.V. Gawade, N.K. Medhe and S.N. Randive	97
Insecticidal activity of some quinazolin substituted 1,3-thiazoles and 1,3,4-thiadiazoles against <i>Callosobruchus chinensis</i> on legume grains Pramilla Sah	99
Utility perception of trainee farmers on IPM practices in cotton V.D. Raut, D.D. Suradkar, S.K. Deshpande and D.D. Raut	102
Diversity of bee flora & its calendar of availability in Angul District of mid-central table land zone of Orissa D. Panigrahi	106
Comparative performance of foundation cross hybrids of silkworm, <i>Bombyx mori</i> L. under high temperature and humidity conditions Veeranna Gowda, S.K. Ashwath and G.V. Kalpana	109
Performance of safflower production in Akola district of Vidharbha region V.M. Bodade, Prema Borkar and E.R. Patil	112
Effects of different substrates (cattle-, poultry-, horse- and goat-dung) on nutritional status of vermicompost Amrit Kaur Bansal	114
Calorific value of geriatric mixture developed from quality protein maize Sunita Kumari Kamal and U. Singh	116
Crop protection problems in upland rice production of India A. Biswas	118
Bioremediation: Recent approach by using bio-active agents in cleaning environmental pollutants R.P. Singh and Atul Pankaj	122
Invitation to Authors and Subscription Informations	126
Green Farming Vision -4 : Extended shelf life, storage and maintenance of seed quality and viability through vacuum packaging - M.B. Chetti	 Inside back cover
