

# GREEN FARMING

(International Journal of Applied Agricultural & Horticultural Sciences)

(Abbreviation : *Green Farming Int. J.*)

ISSN 0974-0775

NAAS Rating : 4.38

UGC Jr.No. : 45500

Volume 8

Number 5

September-October 2017

Bimonthly

## CONTENTS

Previous issue :

Vol. 8, No. 4, pp. 759-1011

### Research Papers

Genetic analysis of the salt tolerant rice varieties of Kerala through molecular characterization using SSR markers

— DEEPA JOHN, P.C. ROHINI and K.S. SHYLARAJ ..... 1012

Heterosis in sprouting broccoli (*Brassica oleracea* var. *Italica* Plenck.)

— K. HABIB, N.AHMED, S.H. KHAN and M. MEHDI ..... 1018

Genetic variability and multivariate analysis in reference set for yield characters in Foxtail millet (*Setaria italica* (L.) Beauv.)

— HARSHIYA BANU, JAYARAME GOWDA and M.V. CHANNABYRE GOWDA ..... 1024

Studies on heterosis for yield and its component traits in rice (*Oryza sativa* L.)

— K. SUDEEPTHI, JYOTHULA D.P.B., Y. SUNEETHA and V. SRINIVASA RAO ..... 1029

Assessment of genetic divergence in some farmers' traditional rice varieties of (*Oryza sativa* (L.)) for grain yield and quality under aerobic situation

— S. SARAVANAN, T. ARULMANI, R. MOHANA and M. ARUMUGAM PILLAI ..... 1034

Study of genetic diversity in landraces of rice (*Oryza sativa* L.)

— C. RADHIKA RANI, L.V. SUBBA RAO, M. SREEDHAR, M.H.V. BHAVE, M. CHIRANJEEVI and K. KANAKADURGA ..... 1039

Parent progeny regression analysis in the segregating generations of rice (*Oryza sativa* L.)

— S. BANUMATHY, A. SHEEBA, K. VENI and R. AGILA ..... 1044

Morphological characters of rice influenced by different planting methods and nitrogen treatments

— S. PRANEETH, D. VISHNU VARDHAN REDDY, R. MAHENDER KUMAR and P.C. LATHA ..... 1048

Genetic divergence studies in farmers' varieties of rice (*Oryza sativa* L.)

— K. SWAPNA, FARZANA JABEEN and L.V. SUBBA RAO ..... 1052

Molecular detection of rust resistant gene *Lr34/Yr18* and quality genes in Indian wheat varieties

— ANJALI RAI, DEEPAK GANJEWALA, SUMIT K. SINGH, TEJ PRATAP JITENDRA KUMAR, POORNIMA SHARMA, NEELU JAIN and ANJU M. SINGH ..... 1056

Assessment of genetic diversity amongst some genotypes of groundnut using morphological markers

— DHWANI SHARMA, ARUNABH JOSHI, DEVENDRA JAIN and P.B. SINGH ..... 1062

Genetic variability, correlation and path analysis in  $F_1$ s of bread wheat (*Triticum aestivum* L.)

— DEVIDAS PATEL, P.K. MOITRA and SUBHASH RAWAT ..... 1067

Studies on variability, heritability and genetic advance in vegetable amaranth (*Amaranthus tricolor* L.) genotypes

— N. TEJASWINI, K. RAVINDER REDDY, P. SAIDIAH and T. RAMESH ..... 1071

Salinity induced growth, physiological and gene expression responses in polyembryonic mango cultivars

— ANJU BAJPAI, MUTHUKUMAR M., YASHI BAJPAI, SHIPRA ANAND, ISRAR AHMAD and ANTARA DAS ..... 1076

|-------------------------------------------------------------------------------------------------------------------------------------------|------------|
| Morphological diversity and G x E interaction of <i>Gossypium herbaceum</i> genotypes                                                     |            |
| — T.T. PATEL, D.R. PATIDAR, J.P. BHATT and R.N. CHOUDHARY                                                                                 | ..... 1081 |
| Genetic variability and correlation studies in wild melon ( <i>Cucumis melo</i> subsp. <i>agrestis</i> )                                  |            |
| — SHIVAPPA M. KARADI, V.M. GANIGER, BHUVANESHWARI G., H.P. HADIMANI and M.B. MADALAGERI                                                   | ..... 1085 |
| Character association and path analysis in fenugreek ( <i>Trigonella foenum-graecum</i> L.)                                               |            |
| — S.L. NAROLIA, M.L. MEENA, M.K. ATAL, NIHARIKA VERMA and B.C. SHIVRAN                                                                    | ..... 1089 |
| Genetic variability, heritability and genetic advance studies in sesame ( <i>Sesamum indicum</i> L.)                                      |            |
| — S. ISHA PARVEEN, C. KIRAN KUMAR REDDY and G. KARUNA SAGAR                                                                               | ..... 1093 |
| Genetic divergence studies in sweet potato [ <i>Ipomoea batatas</i> (L.) Lam]                                                             |            |
| — VISHAL TRIPATHI, CHANDRA DEO, NIDHI TYAGI and DEVRAJ SINGH                                                                              | ..... 1096 |
| Pollen storage of different citrus rootstock genotypes to facilitate citrus hybridization                                                 |            |
| — MANVEEN KAUR BATTH, H.S. DHALI WAL and G.S. SIDHU                                                                                       | ..... 1099 |
| Distribution of sulphur pools as influenced by long-term application of fertilizers & manure in a Vertisol                                |            |
| — JARUPULA SUMAN, B.S. DWIVEDI, A.K. DWIVEDI and S.K. PANDEY                                                                              | ..... 1105 |
| Role of bio-inputs for improved fruit production in mango cv. Banganpalli                                                                 |            |
| — K. VENKATA SUBBAIAH, N.N. REDDY and M.L.N. REDDY                                                                                        | ..... 1111 |
| Effect of time of planting and nitrogen levels on growth, yield and quality of sweet potato ( <i>Ipomoea batatas</i> L.)                  |            |
| — P.M. KAD, J.R. VADODARIA, B.M. NANDRE, H.T. PATEL and V.D. RATHVA                                                                       | ..... 1117 |
| Effect of integrated nutrient management on productivity of <i>rabi</i> maize and their residual effect on summer greengram               |            |
| — N.M. KUMBHAR, V.V. SONANI, P.K. SURYAWANSHI and R.S. KALASARE                                                                           | ..... 1122 |
| Effect of different organic manures and nitrogen levels on seed yield of Vernonia ( <i>Kalijiri</i> ); <i>Vernonia anthelmintica</i> (L.) |            |
| — B.V. HIRPARA, P.S. PARMAR, J.R. PATEL, N.K. CHAVDA and M.A. PATEL                                                                       | ..... 1126 |
| Effect of nutrients foliar spray on yield, quality & shelf-life in guava cv. Sardar under high density planting                           |            |
| — YOGITA T. LAMBE, P.A. SABLE and J.M. WAGHMARE                                                                                           | ..... 1130 |
| Effect of plant growth promoting rhizobacteria on growth, leaf nutrient status and yield of strawberry cv. Chandler                       |            |
| — SEEMA THAKUR and KULDEEP MEHTA                                                                                                          | ..... 1134 |
| Degree of association among growth, yield attributes and grain yield of zero-till sorghum - Correlation analysis                          |            |
| — H. ARUNAKUMARI, P.V.N. PRASAD and B. VENKATESWARLU                                                                                      | ..... 1138 |
| Effect of water stress on agronomic performance of different chickpea genotypes                                                           |            |
| — T. PAVANI, T. RAMESH BABU, K. RADHIKA and G. SRIDEVI                                                                                    | ..... 1142 |
| Effect of regulated deficit irrigation and partial root zone drying on yield and quality characteristics of mango cv. Banganpalli         |            |
| — K. VENKATA SUBBAIAH, N.N. REDDY and M.L.N. REDDY                                                                                        | ..... 1147 |
| Growth and yield of aerobic rice ( <i>Oryza sativa</i> L.) influenced by irrigation and weed management approaches                        |            |
| — S. SRINIVASA RAO, K.B. SUNEETHA DEVI and M. MADHAVI                                                                                     | ..... 1152 |
| Influence of moisture regime on growth, yield & nutrient uptake of chickpea cultivars ( <i>Cicer arietinum</i> L.)                        |            |
| — SWETHA DASARI, SYED AHMAD HUSSAIN and V. SAILAJA                                                                                        | ..... 1157 |
